

**REMARKS**

In accordance with the foregoing, claims 20-26 have been added reciting features of the invention discussed in the Amendment filed by certificate of mail on June 21, 2004 and received by the U.S. Patent and Trademark Office on June 23, 2004. Therefore, it is submitted that claims 20-26 patentably distinguish over the prior art for the reasons set forth in the June 21, 2004 Amendment and that claims 1-26 are in a condition suitable for allowance. Entry of this Supplemental Amendment, reconsideration of the claims and an early Notice of Allowance are earnestly solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
